Today’s Appellate Decision in Litigation Challenging Encinitas’ Ashtanga Yoga Program
(Sedlock v. Baird).

SAN DIEGO, CA —This quote may be attributed to Dean Broyles, President and Chief Counsel of the National Center for Law & Policy, attorney for petitioners and appellants, the Sedlock family:

“No other court in the past 50 years has allowed public school officials to lead children in formal religious rituals like the Hindu liturgy of praying to, bowing to, and worshipping the sun god. We are disappointed with the decision and are carefully considering our options.”
